

Homeless Henry Meets Biffo

Homeless Henry met bold "Biffo" from the dauntless dail,
Now Brian has a new agenda which the Irish will recall!
But now Homeless Henry still is going to tell a brand new story,
Which will make bold Brian or "Biffo" a hero for Fianna Fail true glory!

Biffo has realised his Irish people want real honesty you see!
And their definition of justice is very plain to Homeless Henry!
Start looking at the famine, and the effect on the emerald exiled,
When many a deported mother lost her favourite Irish child!

The truth of The Irish Famine, Irish millions lost their treasured lives,
Why, because The rich England neighbours choose who survives!
But that's now long forgotten, The Irish Tiger emerged from the ditch!
But the only ones he really served were the rich and the bitchy bitch!

So Biffo to fortell your new found patriotic Fianna Fail Irish story,
And that which will have you emerge, In true stupendous glory,
Please just ignore the greedy and start to see real Homeless Henry,
And finally be educated by a famine survivor in your own history!

A scroll of parchment is unrolled, showing text. The scroll is held by wooden rollers at the top and bottom. The parchment is yellowed and has some cracks. The text is centered and reads:

So now here ends a simple lesson, for you a true Irish blessing
You can make a difference now, while Bertie is still confused & confessing
Yes the Eden garden fruit of life is free, for bold "Biffo" a different destiny!
And now the Fianna Fail final journey! please choose to just be free.
