

# Quid Pro Quo

Does she ask for a few quid , because she is a sexy Pro !  
Well if the offer is for George Noel , I don't really know,  
Because if The Social Girl, wants my seeds to flow ,  
Well then on her merry way she can gladly go !

\* \* \* \* \*

Because the real, meaningful true love in life,  
Is a faithful true loving and endearing wife,  
She will be there in times of terrible strife,  
And she will help you avoid death's terrible knife 1

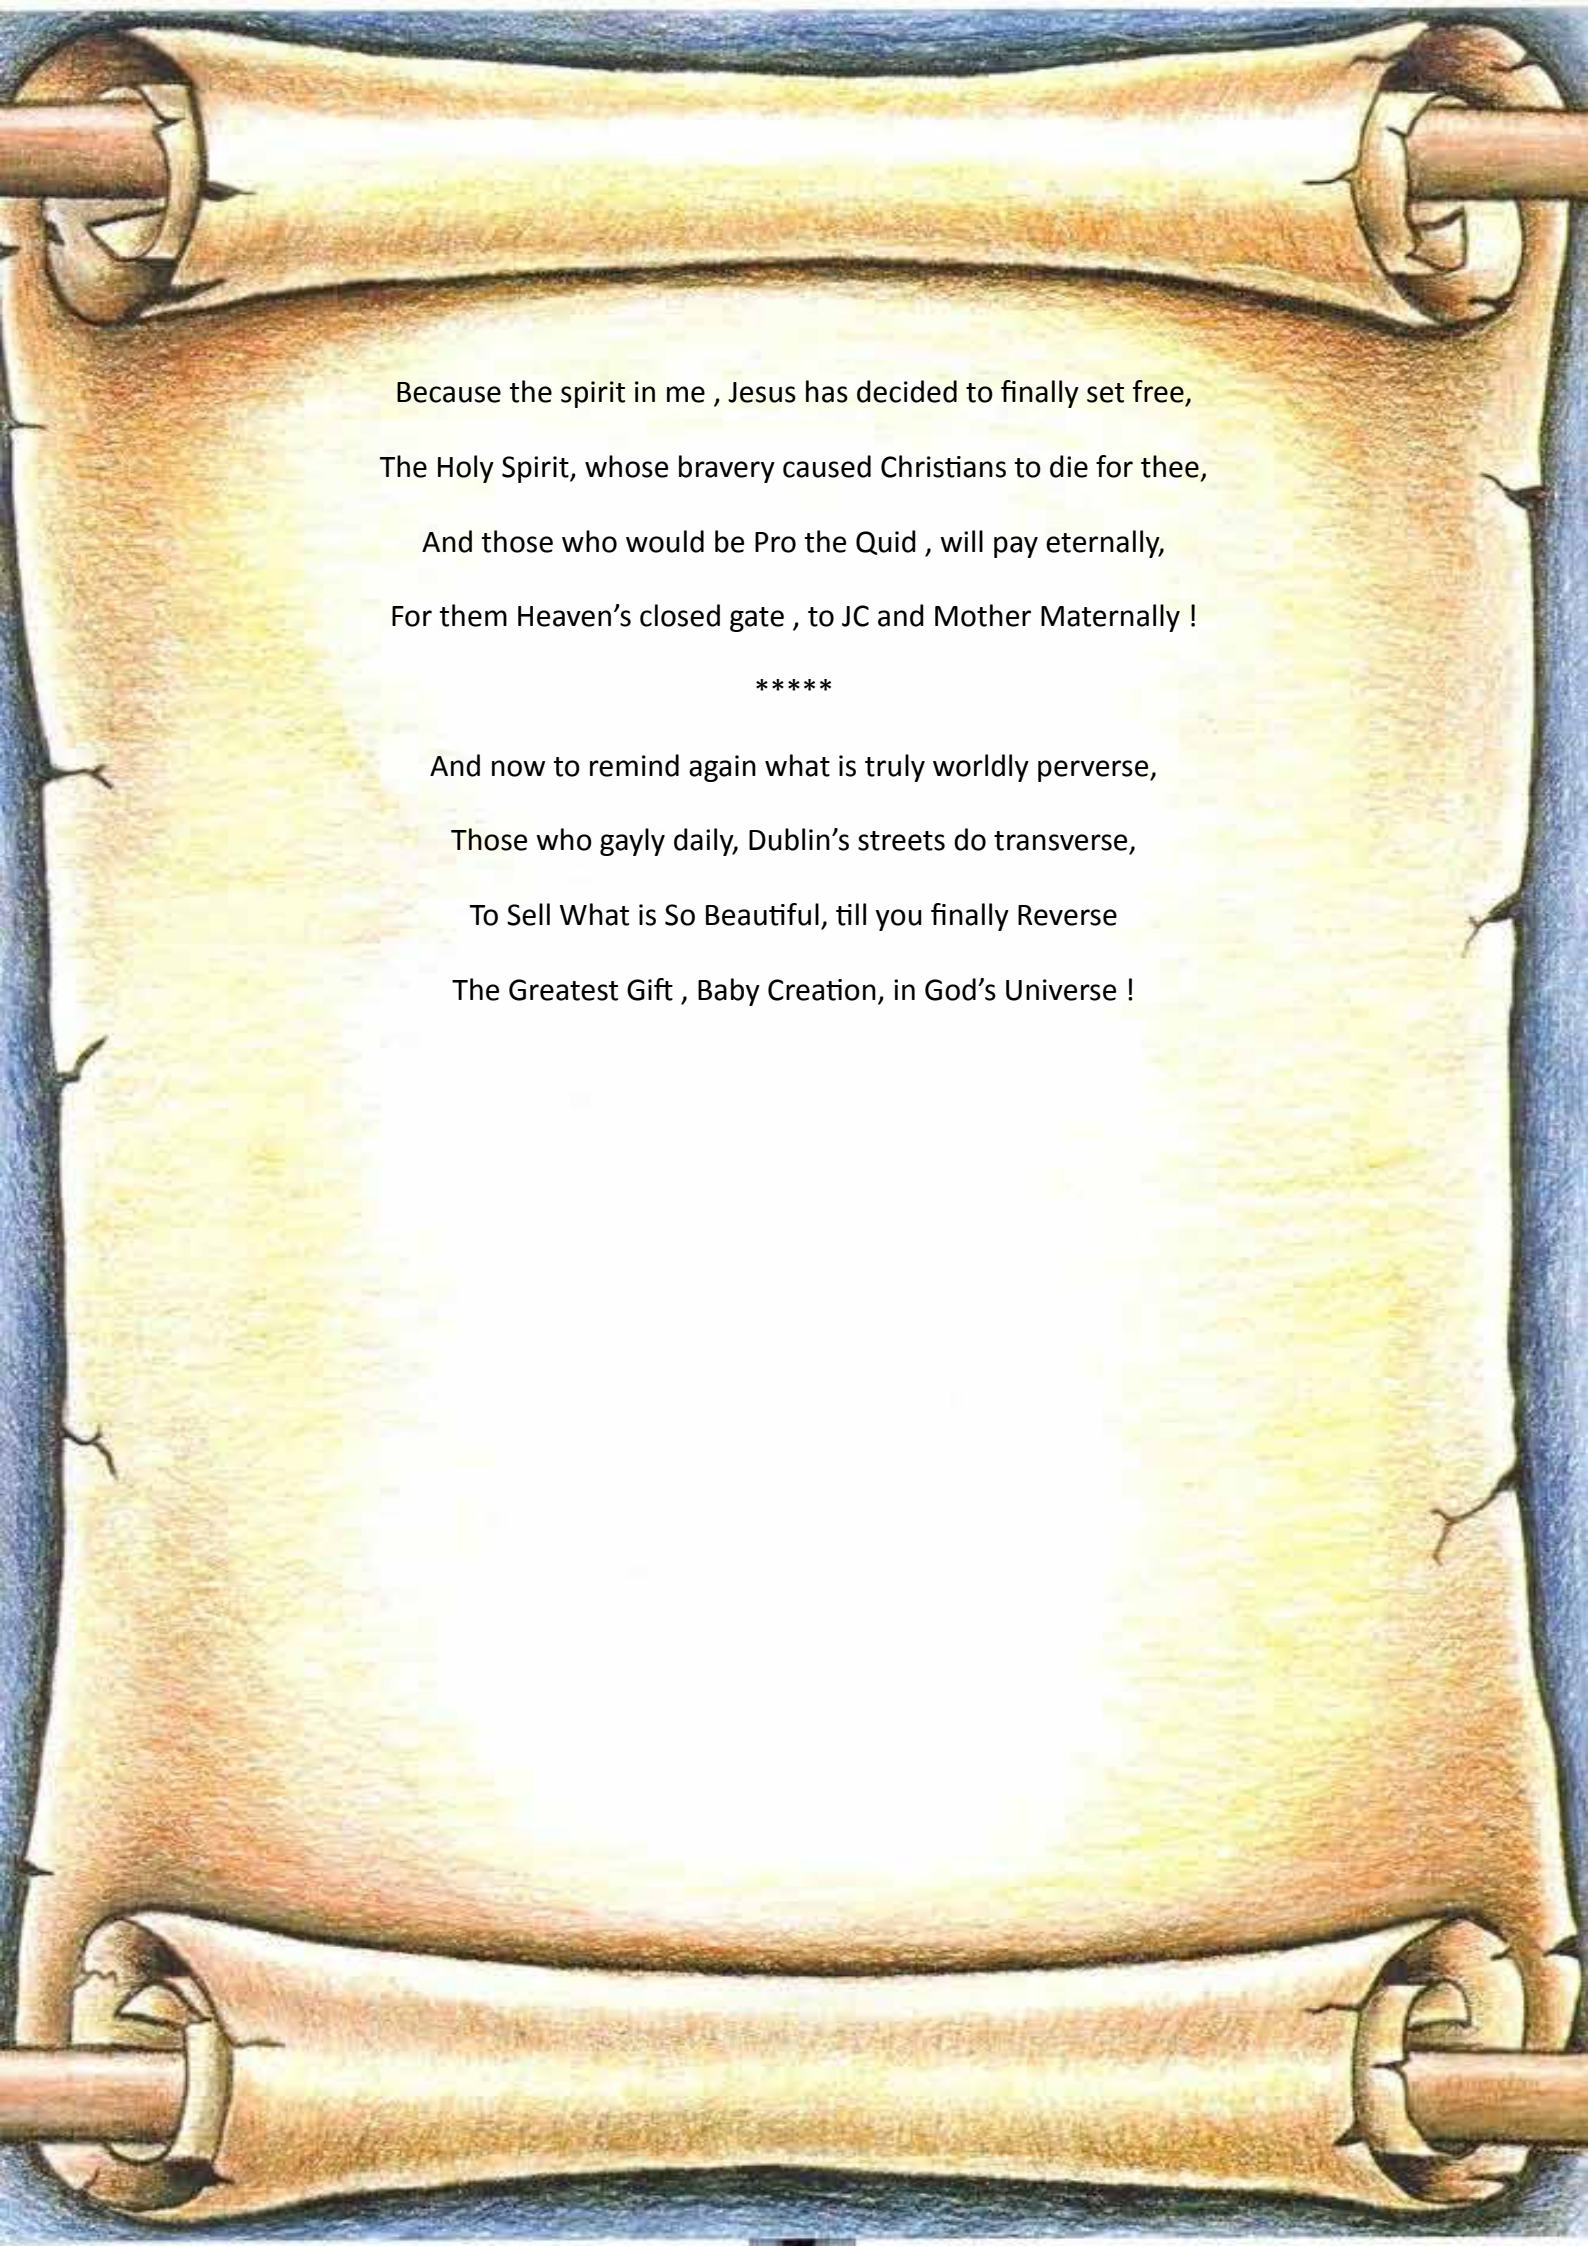

\*\*\*\*\*

Because life is full of trying testing tribulations  
And then again true reasons for transcending elevations  
Because you have to know the lying vitriolic allegations ,  
Are anti your true soul's pure God given revelations !

\*\*\*\*\*

Because you have been given a task a worthwhile goal ,  
To remind the importance of the human living soul ,  
And George Noel, what is your new found earthly role,  
To begin the redemption of those who Satan would enrol !

\*\*\*\*\*

Because the spirit in me , Jesus has decided to finally set free,  
The Holy Spirit, whose bravery caused Christians to die for thee,  
And those who would be Pro the Quid , will pay eternally,  
For them Heaven's closed gate , to JC and Mother Maternally !

\*\*\*\*\*

And now to remind again what is truly worldly perverse,  
Those who gayly daily, Dublin's streets do transverse,  
To Sell What is So Beautiful, till you finally Reverse  
The Greatest Gift , Baby Creation, in God's Universe !
